2017 EXHIBITION

JUROR
Robert Brennan

Robert Brennan's career as an artist spans more than sixty years. Over the years his work as teacher and artist has explored both traditional genres as well as experimental abstraction. His interest is eclectic and recognizes the great diversity of style, subject, media, and expressive goals possible in the visual arts.

His shaped canvas construction "Virgin Landscape" was recognized for originality and expressive quality, winning first prize in the Art of the Northeast USA exhibit sponsored by the Silvermine Guild of New Canaan, CT, by juror Charlotta Kotik, curator of contemporary art at the Brooklyn Museum.

His "White Series" was selected by art critic Barbara McAdam for an artist's solo exhibit at the New Art Center in New York City. Also from the White Series, his construction entitled "Variations" was selected for inclusion in the highly competitive Veridian Artists annual competition in New York City. Works from the construction series are represented in private collections in Connecticut and New York City.

Mr. Brennan lives in Easton, CT. His work has been shown in New England and New York City. He received his BA at Southern Connecticut University and his MA from Columbia University, where he also studied in a TC doctoral program.
